MEMORANDUM

TO: The Honorable Linda W. Cropp
Chairman, Council of the District of Columbia

FROM: Natwar M. Gandhi 
Chief Financial Officer

DATE: MAR 17 2006

SUBJECT: Fiscal Impact Statement (REVISED): "Legal Service Managers
Compensation System Changes Approval Resolution of 2006"

REFERENCE: Public Resolution 16-617 as Introduced

Conclusion

Funds are sufficient in the FY 2006 through FY 2009 budget and financial plan. The provisions of the proposed approval resolution will require no additional resources.

Background

The proposed resolution would approve compensation system changes recommended by the District of Columbia Office of Personnel. The recommendation is a 4.5 percent increase in base salaries effective October 2, 2005, plus a 2 percent of base pay performance increase¹. A similar increase will subsequently occur on October 1, 2006. The compensation system changes will impact District employees who are among 24 District agencies and are not in the Office of the Attorney General of the District of Columbia, or persons in the Office of Labor Relations and Collective Bargaining. Approximately 9 FTEs will be the beneficiaries of increases that result from the equity initiative to bring these employees in parity to the Union pay schedule. The current aggregate of their combined salaries is approximately \$1.0 million annually.

¹ Deal points for the proposed compensation system changes proposed by the District Office of Personnel are similar to those proposed by the Office of Labor Relations and Collective Bargaining for unionized legal service employees in Collective Bargaining Unit 33 approved under a separate action.

- In FY 2007, a 2.0 percent performance bonus to persons who have had a performance evaluation that has resulted in a finding of "Exceeds" as a ratings.

Benefits are estimated at 15 percent of base salary. The financial plan for the District assumes a 3 percent growth in FY 2008 and 2009. The gross costs for the proposed compensation system change are approximately \$68,000 in FY 2006². However, the local costs are approximately \$15,400.
